29 Mayor Marchant welcomed the representatives from Summit County. Roger Armstrong
30 explained they have had a lot of comments regarding transportation in the valley. The
31 County has been working for months trying to figure out a solution.

32 Derrick Radke explained they are here tonight to receive input from the council. Mr.
33 Radke presented a power point presentation to show the possible Transportation Funding
34 Initiative.

35 Roger Armstrong stated this would give us a stable source of income that the County can
36 control. This will be presented to the voters this year on the ballot.

37 Councilor Smith is wondering if the County is concerned with the people not living in
38 Summit County but working in Summit County. This is 14,298 people. This is a large
39 number. The presentation showed the number of people who live and work in Summit
40 County is 9,313. The number of people who live in Summit County work outside the
41 County is 11,556.

42 Roger Armstrong stated they are aware of this problem, there needs to be more workforce
43 housing. Once the route is established the Kamas to Park City route will be successful.

13 derby.
14 Chief Smith discussed some street sign options to help slow traffic by the schools and on
15 200 South.
16 Councilor Crystal asked if the homeless lady is still in the hospital. Chief Smith stated no,
17 she's back in the City. She stayed in the hospital for 9 days and they deemed her
18 competent and let her go. David Taylor and Darrell Shannon asked why the City isn't
19 doing anything about her. Chief Smith explained there is nothing we can do. The City has
20 been trying to find a solution for years. The City has done all we can do. The Sheriff
21 won't let them arrest her for her warrants because they don't want her in their jail.
22

24

25 Councilor Atkinson felt Fiesta Days was a success this year and felt the derby was the
26 best it's been in a long time.

28 feels we need a new stock contractor. The stock is too good.

30 won't be back to run the events next year and Councilor Todd hasn't asked Broken Heart
31 to return next year yet.
32 Mayor Marchant asked that we talk to Rex Mitchell for suggestions for possibly another
33 stock contractor. Councilor Todd felt we should talk to Jason Kelly and Van Kelly for
34 suggestions. George Crismon suggested talking to Vern and New West.
35 The council agreed to look into a different stock contractor.
36 Mayor Marchant explained he and Councilor Atkinson went to the Oakley concession
37 shack and took a tour. The council agreed we need to start moving on upgrading our
38 shack. The council discussed some different possibilities.
39 Mayor Marchant has been approached by Tour of Utah again. They would like us to be a
40 host City again. Mayor Marchant asked for the council's opinion. Mayor Marchant
41 explained we first agreed to do it because we thought it would help the businesses, but it
42 didn't. Mayor Marchant stated several of the business owners approached him expressing
43 they did not like it.
44 Mayor Marchant doesn't want to be a host City again. The council feels it's too close to
45 our Fiesta Day's celebration.

1 Mayor Marchant asked what time the council would like to have their site visit at High
2 Star Ranch next week at High Star. The council agreed 6:00 pm.
3 Jackie Blazzard has approached Mayor Marchant and feels the small cemetery that is
4 currently at High Star should stay and should be marked by some kind of historical
